

CSA VIP Service

A full service card grading service, which offers a client the ability to submit an **unlimited** number of items for grading or authentication within the VIP service term. Send us as many cards as you would like (20 at a time per mail package) and we will grade them all.

The Fine Print

There really is none (that's the best part!). The only thing that we limit is how many cards you can send us at one time (Maximum 20 cards per mailed package). This keeps our service to you quick & easy and allows order tracking and attention to detail. You can send us as many packages as you would like as often as you would like in the membership term. We sell our membership terms by the year which means 365 days from the time you sign up for our membership.
